

Think You Know Your Privileges?

THE NEW **Constitutional Carry Law**

Does Not Provide the Same Rights as a CCW Permit Holder

Benefits of a Carrying Concealed Weapons (CCW) Permit

1. Ability to carry a concealed weapon within 1,000 feet of a school. It is almost impossible to travel through the Metropolitan Phoenix area without crossing a 1,000 foot boundary of a school. You will need a permit to conceal carry throughout the valley. (Federal Law)
2. A permit to carry a weapon in Arizona's National Parks. If you want to carry concealed in National Parks located in Arizona (Grand Canyon) you need a permit. (Federal Law)
3. Reciprocity to conceal carry in twenty five other states. If you plan on travelling and carrying concealed a permit is a must. (Arizona Law)
4. One does not need a background check when purchasing a weapon, just show your permit with your identification. (Brady Bill)
5. You need a conceal carry permit to carry your weapon in a commercial establishment that serves alcohol. If the establishment is not posted you may carry a concealed weapon into the bar if you have a permit and you do not consume alcohol there. (Arizona Law)
6. When you take a concealed carry class you learn the laws of when you can use deadly force.
